REPUBLIC IN CHINA

Rebels in a Concerted Plan
to Secure That
End.

THE REVOLUTION MOVE GAINS

Choice of President Under New
Order of Things Has Al-
ready Been Made.

Hankow, Oct. 12.—The revolution which has been hanging over China for months and of which the rising in the province of Sze-Chuan was only a small part, has begun in earnest. It is a concerted movement to take the empire and declare a republic. The noted exiled revolutionists, Dr. Sun Yat Sen, leader of the anti-Manchu party, if the plans do not miscarry, is to be elected president. He was the delegate of the revolutionary party to the United States in 1910 and is believed during that tour to have made arrangements for financing the movement. Sun Yu, a brother of Dr. Sun Yat Sen, who is now in Hankow, has been elected president of the provincial assembly. The whole assembly has seceded from the imperial government. The rebels are well organized and very strong. They have confiscated the local treasuries and banks and are issuing their own paper money, redeeming the government notes with this as foreign banks are refusing government notes.

TO BE DONE IN 60 DAYS.

Meacham Contracting Co. Low-
est Bidder on Tenth St. Sew-
er—Action Deferred.

The City Council met in adjourned session Wednesday night to open bids on the river dam and on the Tenth street sewer.

Bids for the concrete dam, piers and wings for bridge across Little River at Second street were opened and were as follows: Meacham Contracting Co., \$1,499.00; W. H. Hester, \$1,467.00. An estimate of \$500 was made on iron work for the bridge. The Meacham Contracting Co. also made a bid of \$2,250.00 for an all concrete bridge.

The bids for a large sewer on 10th street 990 feet long were opened.

The Meacham Contracting Co. bid \$3.15 per foot for sewer, 40 cents for dirt and \$1.40 per yard for stone excavation.

W. H. Hester bid \$3.20, 40 cents and \$1.50.

Dalton Bros. (brick) \$3.90 and on bids on excavation.

The cost of the sewer, based on the lowest bid, is something over \$4000.

The City Clerk was directed to give notice to the Vincennes Bridge Co. that if work of repairing the North Main street bridge floor was not commenced by October 19th that the city would have the work done at the bridge company's expense.

After discussing the bids opened an adjournment was taken until Thursday night.

The Council reconvened with five members present and proceeded to award the contract for the dam and bridge piers to W. H. Hester, adding \$100 to his bid for additional work on the approaches to the bridge. It is to be done by the middle of December. The bridge and approaches are expected to cost about \$500 making the total cost \$2067.

The awarding of a contract in the sewer matter was postponed to the regular meeting Oct. 20.

She Was Smothering.

Rackford Ala.—Mrs. M. C. Pascal, of this place, says: "I was taken with nervous prostration, and had headache, backache, pains in my right side, and smothering spells. I call in physicians to treat my case, but without relief. Finally, I tried Cardui, and it gave perfect satisfaction. I recommend it to every sick woman." Are you weak, tired, worn out? Do you suffer from any of the pains peculiar to weak women? Cardui has a record of over fifty years in relieving such troubles, and will certainly benefit you. It prevents those frequent headaches, and keeps you up, out of bed, feeling fresh and happy. Try Cardui.

A revival meeting will begin at the Casky Baptist church Monday. Rev. A. F. Gordon will assist the pastor, Rev. W. R. Goodman.
